

Migration, Climate and Health:

With a focus on refugees

May 25-26, 2017

Institute of Behavioral Science, University of Colorado Boulder

Agenda

Day 1

- 9:00 - 9:30 Introductions and Objectives
- 9:30 - 10:45 6 Research Presentations, Q&A
- *6-8 min presentations offering overview of research agenda and interest in the migration-climate-health connection as related to refugees.*
- 10:45-11:00 Break
- 11:00-12:30 6 Research Presentations, Q&A
- 12:30-2:00 Lunch & Campus Tour
- 2:00-2:30 Group brainstorm: stock-taking exercise -- what do we know, what gaps exist, how might the research community begin to fill those gaps? Identify break-out groups.
- 2:30-3:00 Parallel break-out groups to brainstorm what type of paper might be useful to the research community in introducing this topic.
- 3:00-3:30 Report of break out groups, identification of output and task signup
- 3:30-3:45 Break
- 3:45-5:15 Working session
- 5:15-5:30 Closing discussion, plan for Day 2
-

Day 2

- 9:00 - 9:30 Group brainstorm: stock-taking exercise – how can we help each other?
- 9:30 - 11:30 Working session
- 11:30-12:00 Reports: how are our pieces coming together?
- 12:00-1:00 Lunch
- 1:00-2:30 Working session
- 2:30-3:00 Reports
- 3:00-4:00 Final working session
- 4:00-4:30 Conclusion, summary, steps for follow-up
