

Electoral list for the ratification of the 2017 Constitutional revision

The electoral list includes all current and confirmed full members by 31 October 2017. It does not include members who registered after 31 October or new members who registered after 1 September (and have not yet been confirmed by the IUSSP Council). It also does not include Student Associates, who are not eligible to vote.

Members are listed by country of residence (in the IUSSP database) and by alphabetical order.
