Members can also choose, in their member account settings, whether or not their name and address information is made available to third parties.

Our website does not track, collect or distribute personal information about visitors. We do, however, regularly compile aggregate statistics that show the number of visitors to our website, the requests we receive for particular information on the website, and the Internet service providers (ISPs) that those requests come from. These aggregated statistics are used by internal IUSSP technical support staff to improve the website in an on-going effort to provide better information and services to the public.

The IUSSP does collect information when users and members log in to the website and upload or edit content. This information is used to improve your experience on the website and ensure all website features function properly. It may also be used to monitor new user-posted content to ensure that objectionable content is not posted to the website. We reserve the right to edit or restrict any User Content posted to the site.

IUSSP only uses credit card information to process payments authorized by the individual. Credit card information is collected online through a secured payment system managed by Crédit Mutuel-CIC [paiement](#) which provides a secure transaction site for all credit card payments. IUSSP does not receive or store any credit card information on its website or servers; your credit card information is entered directly on the bank's website.
