CONSULTANCIES

- 2020-2021 Consultant, United Nations Children's Fund (UNICEF). Worked in a team led by David Hotchkiss to explore the potential impacts of COVID-19 on child marriage. Developed an evidence-based conceptual framework on the expected pathways through which COVID-19 may impact levels of child marriage, drawing upon applied research literature on previous pandemics/epidemics as well as other types of crises which resulted in similar economic consequences and social disruption. Provided input on the development of a quantitative model for projecting the impact of COVID-19 on levels of child marriage. Led the development of a policy brief on COVID-19 and child marriage, July 2020-February 2021
- 2011 Consultant, United Nations Entity for Gender Equality and the Empowerment of Women (UNWOMEN). Served as a trainer for the UN Trust Funds' regional skills-building workshops in evidence-based programming, monitoring and evaluation, and knowledge management of programs to end violence against women and girls, Bangkok, Thailand, May 2-6, 2011.
- 2010 Consultant, United Nations Development Fund for Women (UNIFEM). Served as a trainer for the UN Trust Funds' regional skills-building workshops in evidence-based programming, monitoring and evaluation, and knowledge management of programs to end violence against women and girls, Nairobi, Kenya, October 4-8, 2010.
- Consultant, International Center for Research on Women, Washington, DC. In collaboration with Centre Africain d'Etudes Supérieures en Gestion, implemented a workshop titled: "Ateliers Régionaux d'Acquisition des Compétences dans l'Elaboration à partir des Données Probantes, le Suivi, l'Evaluation, et la Gestion de Connaissances, de Programmes Destinés à Mettre Fin à la Violence Faite aux Femmes et aux Jeunes Filles, Destinés aux Bénéficiaires du Fonds d'Affectation Spéciale de l'ONU en Faveur des Actions Visant à Mettre Fin à la Violence Faite aux Femmes," Dakar, Senegal, 31 May – 4 June, 2010.
- 2007 Consultant, United Nations Children's Fund (UNICEF), New York. Outlined issues surrounding indicators included in the Child Survival Countdown to 2015 effort as well as maternal and neonatal indicators proposed for inclusion in this initiative. Undertook a critical review of and proposed options for improving the methodology used to classify progress toward coverage goals, June-September 2007.
- 2006 Consultant, Global Fund to Fight AIDS, Tuberculosis and Malaria. Drafted five-year impact evaluation plan for the Fund's activities in collaboration with Joseph Keating, May-August 2006.

- 2003 Consultant, United Nations Children’s Fund (UNICEF), Niamey, Niger. Assessed social mobilization and communication strategies for National Immunization Days, January 2003.
- 2001-2002 Consultant, Partnership for Child Health Incorporated, Basic Support for Institutionalizing Child Survival II Project. Undertook data analysis, wrote first draft of and finalized report entitled “Immunization Coverage Survey in Four Health Zones of Bandundu Province, Democratic Republic of Congo, 2001,” November 2001 and April 2002.
- 2001 Consultant, Academy for Educational Development and United Nations Population Fund (UNFPA). Assisted UNFPA/Niger with planning the gender subcomponent of its population and development strategy for the Niger Country Program; collaborated in the design of a five-year project addressing interventions to reduce gender inequities and inequalities.
- 1996 Consultant, Macro International, Incorporated, Demographic Health Research Division, Calverton, Maryland. Co-authored two chapters of the report entitled “Negotiating Reproductive Outcomes in Uganda” and reviewed the final report.
- 1993 Consultant, Population Council, Research Division, New York. Wrote three chapters of the report entitled “Gender Inequalities and Demographic Behavior: Implications for the Achievement of Individual Reproductive Health and Choice in Sub-Saharan Africa”, January-June 1993.
- 1993 Technical Advisor, Women and Law in Southern Africa (WLSA) Research Project, Zimbabwe, August. Assisted with locating and using socioeconomic data to support and enhance WLSA’s in-depth qualitative studies on women’s legal position in Southern Africa, with a view to influencing policy and legal change.
- 1992-1993 Consultant, Macro International, Inc., Demographic and Health Surveys, Columbia, Maryland. Analyzed data from eight countries for the DHS-III report on health data quality, December 1992-January 1993.
- 1992 Consultant, Population Council, Programs Division, New York. Developed research and policy agenda regarding the interrelationship of gender inequality and population concerns in sub-Saharan Africa, March-April 1992.
